NAMISITE is an authorized Microsoft 365 partner that has helped businesses and SMEs to experience a new level of team collaboration in real-time via modern communication tools such as SharePoint Online, Skype for Business, OneDrive, and a few more.

Microsoft Windows Virtual Desktop

Windows Virtual Desktop is a comprehensive desktop and app virtualization service running in the cloud. It is the only virtual desktop infrastructure (VDI) that delivers simplified management, multi-session Windows 10, optimizations for Microsoft 365 Apps for enterprise, and support for Remote Desktop Services (RDS) environments.

Microsoft Licensing (Open & Online)

We provide Microsoft Open & Online Licenses. With Microsoft's Cloud Solutions Provider (CSP) program, you pay a monthly fee for only the licenses and software you need, which becomes much more convenient and cost-effective for larger organizations.
