

# WEB SERVICES

# Welcome to the world of IT with NAMISITE

We provide many services like:-

- Web Hosting,
- Web Development,
- Mobile Development,
- Custom Web App,
- Payment Gateway Integration.

# Web Hosting

**We are the Web Hosting Service provider who offers lots of different features with 100% client satisfaction.**

**We offer fast, simple & affordable globally available Domain Names and on-time renewal services.**

**A web hosting service is a type of Internet hosting service that allows individuals and organizations to make their website accessible via the World Wide Web.**

NAMISITE

# Web Development

We help the customer to design, code, implement & Host the Web Application as per your requirement. We follow the complete SDLC and use enterprise-level tools to design and code the Application.

# Mobile Development

NAMISITE

We design, code, implement & Host the Android & iOS mobile Applications as per your requirement. Cross-platform development tools also allow an app created for one system to be ported to any other mobile platform. Our technical expertise in building android SDKs keeps your data & customers safe.

# Custom Web App Development

Every business has its own workflow, and services aren't always the best fit for what you need. Our custom-made solutions & Apps give you a consistent edge over the competition. We'll analyze your needs and build a powerful, useful custom web application that makes your work easier.

# Payment Gateway

**We help our customers to Integrate the Payment gateway for their existing or newly designed Web Applications.**

**We have partnered with PAYU and we also can implement the payment integration with any of the Payment Gateway Provider in India/USA**
